Dear [Redacted]

In Connection with its investigation into the circumstances surrounding the death of President Kennedy, the Select Committee on Assassinations intends to either interview, depose, or question at hearings the following individuals:

25X1

[Redacted]

Whether or not any of the individuals had any relationship with the CIA, they may believe that actions they have taken were at the direction of responsible persons in the Central Intelligence Agency. Accordingly, in order for the Select Committee to obtain truthful statements and ultimately testimony from these individuals, it would be most useful for the Committee to have a letter from your office releasing these persons of any obligations of secrecy they may have made to the CIA or to anyone whom these individuals may believe was affiliated with the CIA.

Thank you for your continued cooperation.

Sincerely,

G. Robert Blakey
